BRANDING SERVICE

YOUR HOUSE STYLE ON YOUR MASTS

Your brand.
Our mast.
We do the rest.

Send us your design and we take care of everything else: preparing the files, printing the panels and fitting them on your mast. No design yet? We create one for you.

Your design on these panels

Built to keep earning for decades.

www.stalico.com

HOW IT WORKS

Four steps from logo to branded mast.

01 You choose your masts

We send you the artwork template for each model. Every panel is drawn with its print size, cutting line and text area, explained in five languages.

02 You send us your design

Your designer places your logo and colours on the template and sends the artwork as a print-ready PDF, AI or EPS file.

> **No designer? No problem.**
> On request, we create the design for you, based on your logo and house style.

03 We do the rest

We check every file for print quality before anything is printed. Resolution too low? Then we don't print: we tell you and help you fix it. Once approved, we produce the panels and fit them on your mast in our factory in Beerse, Belgium.

✓ QUALITY GUARANTEED

04 Delivered in your colours

Your masts arrive branded and ready to use on site, from the very first day.

EN English

This template shows the panel dimensions (W × H, in mm) for the branding of your STALICO® mast. Please design your artwork at scale 1:1 to these dimensions and keep all text and logos inside the text area (where indicated) and clear of edges, slots and holes. Send print-ready files in high resolution (.pdf, .ai or .eps, fonts converted to outlines) to sales@gr-technics.be.

DE Deutsch

Diese Vorlage zeigt die Paneelmaße (B × H, in mm) für das Branding Ihres STALICO®-Mastes. Bitte erstellen Sie Ihr Layout im Maßstab 1:1 nach diesen Maßen und platzieren Sie alle Texte und Logos innerhalb des Textbereichs (falls angegeben) sowie mit Abstand zu Rändern, Aussparungen und Bohrungen. Senden Sie druckfertige Dateien in hoher Auflösung (.pdf, .ai oder .eps, Schriften in Pfade umgewandelt) an sales@gr-technics.be.

FR Français

Ce gabarit indique les dimensions des panneaux (L × H, en mm) pour le marquage de votre mât STALICO®. Veuillez réaliser votre maquette à l'échelle 1:1 selon ces dimensions et placer tous les textes et logos dans la zone de texte (si indiquée), à l'écart des bords, découpes et perçages. Envoyez les fichiers prêts à imprimer en haute résolution (.pdf, .ai ou .eps, polices vectorisées) à sales@gr-technics.be.

NL Nederlands

Dit sjabloon toont de paneelafmetingen (B × H, in mm) voor de opmaak van uw STALICO®-mast. Maak uw ontwerp op schaal 1:1 volgens deze afmetingen en plaats alle tekst en logo's binnen het tekstvlak (indien aangegeven), weg van randen, uitsparingen en boorgaten. Stuur drukklare bestanden in hoge resolutie (.pdf, .ai of .eps, lettertypes omgezet naar contouren) naar sales@gr-technics.be.

ES Español

Esta plantilla muestra las dimensiones de los paneles (An × Al, en mm) para el rotulado de su mástil STALICO®. Diseñe su arte final a escala 1:1 según estas medidas y coloque todos los textos y logotipos dentro del área de texto (si se indica), alejados de bordes, ranuras y taladros. Envíe los archivos listos para imprimir en alta resolución (.pdf, .ai o .eps, fuentes convertidas a trazados) a sales@gr-technics.be.
