PRODUCT SHEET

STALICO® Military Lighting

8.5 m light mast in durable camouflage RAL coating

Military Lighting in camouflage finish

The STALICO® Military Lighting mast is a variant of our STALICO® Standard light mast, finished in camouflage colours with a durable RAL coating. It combines the safety and ease of use of the Standard — no extra ballast, one-person set-up, any surface — with a finish suited to defence use.

BENEFITS

- Durable RAL camouflage coating
- No extra ballast needed
- Set up by one person · suitable for any surface
- Stable with 4 outriggers and levelling feet
- Stackable per 2

TECHNICAL SPECIFICATIONS
